

BNLS BEEF CHUCK PLATE

The Beef Chuck plate is derived from a regular 0 x 1 Chuck Roll. The chuck plate is separated from the chuck log starting from the rib end of the chuck roll following the curve of the neck. After the chuck plate has been separated from the log, the neck end is squared parallel to the rib end. Tag ends will be trimmed.

Image of product is not meant to represent the actual product trim specification

Product Code:	59744	Pallet Tie x High:	0 x 0
Description:	BNLS BEEF CHUCK PLATE	Avg Case Weight:	29.7
USDA Grade:	Choice	Pieces/Box:	4
